

Vattenfalls Idrotts- & Fritidsförbund

Vattenfalls Recreational Associations

What is Vattenfalls Recreational Associations?

- The organization is a group of associations within the Vattenfall Group. with sports and leisure activities as their main occupation
- The organisation's main task is to support and organize the associations' activities
- The Association consists of more than 25 local associations, which includes more than 6000 members from Malmö in the south to Porjus in the north and Denmark
- The Association may only be connected and organized by staff within the Vattenfall Group.
ie staff in a majority-owned subsidiary

How the activities are organized

- Activities will promote cooperation, solidarity and camaraderie among employees within the Vattenfall Group
- Activities must be designed so that it in any form will be available to all and can give each practitioner satisfaction with respect to each (every) one's values
- These operations are conducted in collaboration with Vattenfall body of staff and wellness within and outside the Vattenfall Group
- Our vision is to offer activities that give Vattenfall staff vitality, energy and togetherness, during convivial forms

What does it involve to be a member in VIF?

- You may participate in the local association's activities
- You may participate in Waterfall Championships
- You may participate in Korpen (Korpen is a member of EFCS – European Federation for Company Sport which includes organisations from all over Europe.)
